Description:

Natural Toffee Blush and Balm Stick is a 2-in-1 formula that provides color to cheeks and lips with a soft texture and semi-matte finish. It features Kobo's Ecocert/Cosmos approved Jojoba Ester (NJE) treated pigments that show good skin affinity and creamy feel. COSMOL™ 43V is a natural origin ester with superior oxidative stability that improves feel. Fumed silica gellant CO15M5 adds creaminess and cushion upon application. SERICITE FSL-NJE5 has a translucent appearance and provides a very soft and silky touch. Silica microsphere MSS-500/3H contributes with payoff and semi-matte finish.

Manufacturing Procedure:

1. Combine Part 1. Mix and heat to 80°C.
2. Add Part 2 and mix until the pigments are fully dispersed.
3. Add Part 3 and mix until homogeneous.
4. Pour into molds.
