<b>100.00</b>			

## Description:

This talc-free, Natural eyeshadow is a classic neutral shade for a smoky eye look. The shade is a combination of Kobo's Ecocert/Cosmos approved Jojoba Ester (NJE) treated pigments that show good skin affinity and creamy feel with KTZ® EBONY, a pearlescent pigment composed of natural mica. MICA S-ASG3 is a creamy mica with amino acid (ASG) treatment and COSMOL™ 43V, a vegetable origin ester that acts as liquid binder.

## Manufacturing Procedure:

1. Blend Part 1 until the pigments are fully dispersed.
2. Add Part 2, drop by drop, and mix well until the binders are dispersed.
3. Add Part 3 and blend well.
3. Pass the bulk through the sieve.
4. Press at 500psi.

## FORMULATIONS

Product formulations are included as illustrative examples only. Kobo Products Inc. makes no representation or warranty concerning the efficacy or safety of any product manufactured using such formulations. All statements concerning the possible use of Kobo Products Inc. are for research purposes only. Responsibility for the performance or adequate testing of any product prior to sale or use of any such product lies with the manufacturer thereof.

## USE OF PRODUCTS

Products sold by Kobo are designed, manufactured and sold for industrial use only. Prior to use of any such product for any application other than an industrial use, the user has the sole responsibility and obligation to determine the suitability of any such product for any such application.

## PATENT STATUS

Nothing contained herein shall be construed to imply the nonexistence of any relevant patents or to constitute a permission, inducement or recommendation to practice any invention covered by any patent, without authority from the owner of the patent.

## LIMITATION OF LIABILITY

Kobo Products Inc. shall in no event, whether the claim is based on warranty, contract, tort, strict liability, negligence or otherwise, be liable for incidental or consequential damages, or for any other damages in excess of the amount of the purchase price.
