## Description:

This fresh spray revives skin radiance and is ideal for hot summer days. It refreshes, hydrates and illuminates skin. It is suitable to use over makeup. It features delivery systems Cn-HAHWS loaded with Sodium Hyaluronate a potent well-known skin moisturizer and Gs-GTS loaded with Green Tea Extract, a free-radical scavenger. INULIN-SC is a sugarcane-derived polysaccharide that provides a moisturizing effect and improves formula texture by reducing stickiness. KTZ® EXTRAFINE GOLD is an interference pearl with a satin luster gold reflection. NOMCORT® AG helps suspend pearls which reduces sedimentation during application.

## Manufacturing Procedure:

1. Combine Part 1 and mix until homogeneous.
2. Add Part 2 and mix until full dispersion of NOMCORT® AG.
3. Add Part 3 and mix until homogeneous.
4. Add Part 4 and mix until homogeneous
