Description:

This moisturizing and glow mist will provide hydration and a natural glow finish for you skin! It features a very small particle size sodium hyaluronate, Hyaoligo®, to enhance moisturization from inside to outside. It also features KOBOGUARD® NATURAL PXF, a natural fil former to enhance soft focus and long lasting properties.

Manufacturing Procedure:

1. Disperse both xantham gum and Hyaoligo into Glycerin and Panthenol. Then, add water and mix 1300rpm for 2 minutes. Then add KOBOGUARD NATURAL PXF and mix 1300rpm for 2 minutes.
2. Pre-mix in a separate vessel ZEMEA with SymDiol 68. Add to the main vessel and mix.
3. Add to the main vessel and mix.

FORMULATIONS

Product formulations are included as illustrative examples only. Kobo Products Inc. makes no representation or warranty concerning the efficacy or safety of any product manufactured using such formulations. All statements concerning the possible use of Kobo Products Inc.are for research purposes only. Responsibility for the performance or adequate testing of any product prior to sale or use of any such product lies with the manufacturer thereof.

USE OF PRODUCTS

Products sold by Kobo are designed, manufactured and sold for industrial use only. Prior to use of any such product for any application other than an industrial use, the user has the sole responsibility and obligation to determine the suitability of any such product for any such application.

PATENT STATUS

Nothing contained herein shall be construed to imply the nonexistence of any relevant patents or to constitute a permission, inducement or recommendation to practice any invention covered by any patent, without authority from the owner of the patent.

LIMITATION OF LIABILITY

Kobo Products Inc. shall in no event, whether the claim is based on warranty, contract, tort, strict liability, negligence or otherwise, be liable for incidental or consequential damages, or for any other damages in excess of the amount of the purchase price.
