| 0.20 | Rejuvenating 800 Da HA | Hydrolyzed Sodium Hyaluronate (And) Water | Kobo Products Inc. |
| **100.00** | | | |

## Description:

This formula hydrates, calms, cools, and soothes skin from the first application, while also protecting and rebuilding the skin's barrier function. KOBOGUARD® NATURAL PXF is a natural, paraben-free, water-soluble film former that helps to improve long wear and retain actives. It has a high degree of breathability which provides a light feeling and contains pullulan known for promoting younger looking skin. INULIN-SC is a sugar cane derived polysaccharide. It acts as a thickening agent, enhancing texture and providing a smooth feel. It also boosts moisture retention, promotes a healthy skin microbiome, and offers antibacterial and anti-pollution effects.. K-RAY® SM FINE FUCHSIA and KTZ® EXTRAFINE RED are pearls that gives the formula its rosy color. Rejuvenating 800 Da HA gives deep moisturization and GS-PPYS that is a glycosphere the features the active ingredient Papain that will remove proteins and dead skin cells.

## Manufacturing Procedure:

1 Combine part 1 under prop mixer, heat to 40-45C, mix until frescolat ml is fully solubilized.

2 Combine part 2 in main beaker under prop mixer, heat to 60-65C, mix until homogenous.

3 Combine part 3 in side dish, add to part 2, continue prop mixing until homogenous.

4 Add part 1 to parts 2-3, mix until uniform. Once uniform remove from heat and cool to room temperature.

5 Add part 4 to parts 1-3, mix until uniform

## FORMULATIONS

Product formulations are included as illustrative examples only. Kobo Products Inc. makes no representation or warranty concerning the efficacy or safety of any product manufactured using such formulations. All statements concerning the possible use of Kobo Products Inc.are for research purposes only. Responsibility for the performance or adequate testing of any product prior to sale or use of any such product lies with the manufacturer thereof.

## USE OF PRODUCTS

Products sold by Kobo are designed, manufactured and sold for industrial use only. Prior to use of any such product for any application other than an industrial use, the user has the sole responsibility and obligation to determine the suitability of any such product for any such application.

## PATENT STATUS

Nothing contained herein shall be construed to imply the nonexistence of any relevant patents or to constitute a permission, inducement or recommendation to practice any invention covered by any patent, without authority from the owner of the patent.

## LIMITATION OF LIABILITY

Kobo Products Inc. shall in no event, whether the claim is based on warranty, contract, tort, strict liability, negligence or otherwise, be liable for incidental or consequential damages, or for any other damages in excess of the amount of the purchase price.
