Part 3			
50.00	SILK COTTON PW	Cellulose	Daito/Kobo Products
100.00			

Description:

This natural spray contributes to a perfect colored hairline and a thick-looking head of hair that stays with you no matter what. Unique pigments and fibers match hair color and conceal exposed scalp. NOE treated pigments create the medium to dark brown shade and impart coverage and concealing properties. MSS-500W, a silica microsphere, adds a silky feel, promotes better blendability and allows for a natural appearance. SILK COTTON PW, a natural cellulose fiber, absorbs sebum and adds thickness and volume to the hair. SunBoost ATB Natural, a ratio of three skin ingredients, nourishes the scalp and hair. The non-aerosol spray component is easy to use on spots and provides a clean and non-messy application.

Manufacturing Procedure:

1. Combine ingredients in Part 1 and micropulverize until color is fully developed.
2. Slowly add SunBoost ATB Natural drop by drop and blend until completely absorbed by the powder.
3. Add Part 3 to batch and hand mix until uniform.

FORMULATIONS

Product formulations are included as illustrative examples only. Kobo Products Inc. makes no representation or warranty concerning the efficacy or safety of any product manufactured using such formulations. All statements concerning the possible use of Kobo Products Inc. are for research purposes only. Responsibility for the performance or adequate testing of any product prior to sale or use of any such product lies with the manufacturer thereof.

USE OF PRODUCTS

Products sold by Kobo are designed, manufactured and sold for industrial use only. Prior to use of any such product for any application other than an industrial use, the user has the sole responsibility and obligation to determine the suitability of any such product for any such application.

PATENT STATUS

Nothing contained herein shall be construed to imply the nonexistence of any relevant patents or to constitute a permission, inducement or recommendation to practice any invention covered by any patent, without authority from the owner of the patent.

LIMITATION OF LIABILITY

Kobo Products Inc. shall in no event, whether the claim is based on warranty, contract, tort, strict liability, negligence or otherwise, be liable for incidental or consequential damages, or for any other damages in excess of the amount of the purchase price.
