Description:

This lip butter has a moist texture with satin coverage. It hydrates and nourishes the lips, while providing a luminous effect. SALACOS® 334 is a synthetic butter, with superior emollience compared to shea butter, which melts gently at body temperature. Plandool™-G adds smoothness to the lips and moisture retention. Plandool™-LG1, amino acid ester, is a stratum corneum repair ingredient. SunBoost ATB soothes the lips due to its Bisabolol and Vitamin E content. The polymer ester LUSPLAN™ DD-DA7 imparts gloss. SALACOS® 5418V provides a cushioned rich feel and SALACOS® 99 helps in bullet spreadability. HBQP75FZS is a ZnO dispersion to provide SPF/PFA and the treated pigment RED 7CA K-12 imparts the background color. To improve formula wear, KOBOGUARD® HRPC is used. PM WAX 82 is a combination of waxes used to structure the formulation. CO40SS is a sodium saccharin dispersion to give a slight sweet taste. The satin coverage is imparted by KOBOPEARL® PERPETUAL IO PastelRose and K-RAY® G DIAMOND SPARKLE RED provides a brilliant effect to the bullet.
