Part 5			
7.00	Glicerina	Glycerin	CAAL
1.50	KNY-3D	Nylon-66 (And) Titanium Dioxide	Kobo Products
100.00			

Description:

This eyebrow gel mascara features GLW Pigmentary Dispersions in a water/glycerin base, that ease the process of making color formulations in a water base. DAITOSOL 5000SJ is a water-based resin that offers long-lasting properties. And the combination of KNY-3D and MSS-500/20N helps disguise flaws in the eyebrows by elongating and giving volume to the hair with a natural finish.

Manufacturing Procedure:

1. Add Part 1 and mix until gel is homogenous.
2. Add Parts 2 and 3 and mix until pigments are fully dispersed.
3. Add Part 4 slowly and mix.
4. Pre-mix Part 5 and add to main vessel and mix slowly to avoid air incorporation.

FORMULATIONS

Product formulations are included as illustrative examples only. Kobo Products Inc. makes no representation or warranty concerning the efficacy or safety of any product manufactured using such formulations. All statements concerning the possible use of Kobo Products Inc. are for research purposes only. Responsibility for the performance or adequate testing of any product prior to sale or use of any such product lies with the manufacturer thereof.

USE OF PRODUCTS

Products sold by Kobo are designed, manufactured and sold for industrial use only. Prior to use of any such product for any application other than an industrial use, the user has the sole responsibility and obligation to determine the suitability of any such product for any such application.

PATENT STATUS

Nothing contained herein shall be construed to imply the nonexistence of any relevant patents or to constitute a permission, inducement or recommendation to practice any invention covered by any patent, without authority from the owner of the patent.

LIMITATION OF LIABILITY

Kobo Products Inc. shall in no event, whether the claim is based on warranty, contract, tort, strict liability, negligence or otherwise, be liable for incidental or consequential damages, or for any other damages in excess of the amount of the purchase price.
