Part 4			
1.00	Mikrokill® COS	Phenoxyethanol (And) Caprylyl Glycol (And) Chlorphenesin	Lonza
100.00			

Description:

This cuticle cream softens and adds moisture to cuticles and nails, intending to ease the manicure process. Neosolue™-DiSM and JOS10M5 provide emollience and skin softening properties. SunBoost ATB is a proprietary ratio of antioxidant, anti-irritant and anti-inflammatory agents which conditions, moisturizes and nourishes the skin. MSS-500W offers enhanced slip and body to the formula while contributing to the soft after feel.

Manufacturing Procedure:

1. Mix Part 1 under propeller mixer and heat to 70°C.
2. Mix Part 2 in a side beaker while heating to 70°C.
3. Add Part 2 to Part 1 and continue propeller mixing until uniform. Remove from heat.
4. Add Part 3 followed by Part 4.
5. Pour into component at 55°C.

FORMULATIONS

Product formulations are included as illustrative examples only. Kobo Products Inc. makes no representation or warranty concerning the efficacy or safety of any product manufactured using such formulations. All statements concerning the possible use of Kobo Products Inc. are for research purposes only. Responsibility for the performance or adequate testing of any product prior to sale or use of any such product lies with the manufacturer thereof.

USE OF PRODUCTS

Products sold by Kobo are designed, manufactured and sold for industrial use only. Prior to use of any such product for any application other than an industrial use, the user has the sole responsibility and obligation to determine the suitability of any such product for any such application.

PATENT STATUS

Nothing contained herein shall be construed to imply the nonexistence of any relevant patents or to constitute a permission, inducement or recommendation to practice any invention covered by any patent, without authority from the owner of the patent.

LIMITATION OF LIABILITY

Kobo Products Inc. shall in no event, whether the claim is based on warranty, contract, tort, strict liability, negligence or otherwise, be liable for incidental or consequential damages, or for any other damages in excess of the amount of the purchase price.
